EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the CLAIMS:

Claims 9 and 11 have been canceled. The claims are considered as not further limiting the newly amended claim 5, as the same subject matter has already been incorporated into claim 5.

The following is an examiner's statement of reasons for allowance: it is deemed novel and unobvious over the prior art of record to so perform a method of fabricating a seal-integrated separator including a separator body having a communication port and seals which are integrated on both sides of the separator body, as claimed, the method comprising providing an upper mold having a first groove positioned corresponding to the seal as claimed, and having at least one gate, and a lower mold having a second groove and having at least one gate, the first groove being separated from the second groove, holding the separator body between the molds and injecting melted seal material to form the seals into each of the grooves as claimed, wherein the gate formed in one of the molds communicates with the other by a runner branching from the gate in

the other mold as claimed in claim 1; further including forming dual seals and providing a first set of grooves and a second set of grooves as claimed in claim 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
